## SUMMARY

I am a Bachelor of Computer Application graduate passionate about creating impactful, user-focused solutions. Experienced in Python, HTML, JavaScript, and React, I have worked as a remote Web Developer at DScrutiny and now contribute at Lumos, Bangalore. My background blends technical expertise with proven leadership and effective teamwork. Currently, I am enhancing my skills in cybersecurity. I am known for delivering meaningful results through innovation and dedication to excellence.

## EDUCATION

### Bachelor of Computer Applications
